

# HANDLING SOLUTIONS

**LIFT, CONVEY, TRANSPORT, ELEVATE, ROTATE,  
TILT, MOVE, SHIFT, LOAD, UNLOAD**

**We solve your fear of height and weight**

Aviation, In-plant solutions, Warehouses, Car Showrooms,  
Stockists, Heavy Engineering, logistics, Machine Shops,  
Manufacturing Companies, Infrastructure, Buildings,  
Construction, Railways, Municipalities, Transformers,  
Automotive, Courier, Power Companies, Painting, Printing

We have built up our expertise in special product development that will make your handling much safer, faster and cheaper. We have innovated to produce many products that are innovative in the approach. Our aim is NOT to build fancy equipment, but to fulfill your need and give a solution problem that is within your parameters of working. We are hence able to offer solutions to SME as well as large PSUs and Companies. Consult us to solve problems!

## Scissor Lifts

Fixed scissor lifts from 1 ton to 20 tons can be made as per specification

Towing Scissor Lift upto 16m & optional powered movement with capacity upto 1 ton.

Truck Mounted Scissor Lift can be used in various industries like tunneling, highways, bridges, municipality, aviation, etc. The sturdy and safe mechanism is widely used around India and is a product of R&D and innovative improvements in design and materials.

Aerial Working platform to accommodate one person for height reach upto 10m can be battery operated

**Please specify the following for us to quote:**

MAX HEIGHT, CAPACITY, PLATFORM SIZE, POWER SUPPLY, WHEELS, IF FLAMEPROOF, RAILINGS, PIT CONDITIONS

## Telescopic Conveyor

The telescopic boom goes all the way inside a 20' or 40' container and can load and unload loads up to 100 kgs per package continuously.

**Goods Lift**

## Economic Truck Loader

This utility conveyor is designed to recover investment in terms of labour saving in just 4-5 months. The height can be adjusted both in front and back and the belt travels on reliable geared motor with adjustable speed.

**Tail Lifts**

**Truck Mounted Crane**

**Stackers**

## Other MHE

Pallet Stackers, Drum Handlers, Battery operated Stackers, Belt Conveyors, Truck Mounted Cranes, Rack & Storage Equipment, Concrete Shot Creting Machine, Work Positioning Tables, Hydraulic Freight Lift upto 6 ton, Wrecker, Pallet Truck, Order Picker, Dock Leveler , Gravity Loader Conveyor Systems

# About the NANDAN Group

Established in 1991, the NANDAN group has diverse offerings in the field of aviation GSE, material handling products, car parking solutions, aerial access equipment and specialized body building. Based out of four factories around Mumbai, our products are present in almost every major city. Our core strengths of in-house design, customer friendly approach as well as the built up infrastructure ensures that you will trust NANDAN to be your partner in excellence
